

For Immediate Release

Calgary, October 26th, 2012

All Candidates Debates – Calgary Centre

The Harvey Locke Campaign has received several requests to participate in debates.

Our position is very clear and has been expressed to all who have contacted us, Locke will participate in *all candidates* debates.

We will participate in debates that are organized outside of existing Calgary Centre candidate campaigns and when “**all major parties participate**”.

If candidates cannot or refuse to participate we will direct our campaign strategies accordingly.
